Volume 22, Issue 16 | January 09, 2020

## 2020 National Cherry Blossom Festival Hotel Program:

The National Cherry Blossom Festival ("NCBF") is now accepting area hotels to participate in it's 2020 Hotel Program! The Hotel Program highlights properties springtime packages and will be promoted to visitors, residents, and groups traveling to the District from March 1 - May 31, 2020 with a major emphasis on the Festival's celebration from March 20 - April 12, 2020. Participating hotels will be featured on NCBF's visitors page, one of the most highly trafficked pages on the Festival's website, as well as other exclusive marketing and promotional opportunities. In addition, in partnership with Destination DC ("DDC"), DDC member hotels who participate in the program will also receive additional opportunities in conjunction with DDC's springtime accommodation. For more information regarding the program, and how to participate in it, please [click here](#).

## Allied Member Spotlight:

HOSPITALITY ADVISORY & ASSET MANAGEMENT

REVPAR International is a nationally recognized full-service hospitality advisory and asset management firm with a global reach.

Their corporate office is based in the Washington, D.C. metropolitan area so they consider this area their backyard where they have undertaken numerous projects. As a result, they are intimately familiar with the pertinent industry trends occurring here.

REVPAR International offers a complete set of hospitality advisory services from market financial feasibility studies and operational reviews to asset management. They identify and help minimize the three main risks inherent in real estate investments in general, and hospitality investments in particular - market, financial, and management risk. This breadth of experience provides their clients with uninterrupted service, access to their professionals, and ensures continuity in process and goals. Their services cover all hospitality-related assets, from hotels and resorts to conference centers, restaurants, spas, marinas, and golf courses.

For additional information and to review a list of projects undertaken by the professionals at REVPAR International, please visit their website [www.revparintl.com](http://www.revparintl.com) or contact Jacqueline Woodrum at [j.woodrum@revparintl.com](mailto:j.woodrum@revparintl.com).
