

Tuesday, March 31, 2020

Dear HAWDC Member:

As you are aware, local governments have issued stay-at-home orders. Residents may travel from their residences to essential activities and employment. **Hotels have previously been considered essential; therefore, employees should still be permitted to travel to and from work.**

Click [HERE](#) for a sample Travel Letter for Essential Critical Infrastructure Workers that may be adapted for your employees to carry with them as they are traveling to/from your hotel

Regards,
Lisa
