Second Half Real Property Tax Payments

As you are aware, HAWDC has been in discussions with the District government regarding the request to defer the remittance date for commercial property tax payments that are due in September. A deferral has not been authorized and the **due date for property tax payments remains September 15th**. However, we are pleased to announce that the Office of Tax and Revenue understands that these are challenging economic times, and that taxpayers' incomes may have been adversely affected by COVID-19. Accordingly, if you are having difficulties meeting the payment deadline, **you may request a waiver of penalties and/or interest with justification** by completing the form found by clicking [here](#).
