## Feedback Regarding Property Tax Waiver Process

As you are aware, for property owners who are unable to remit their September tax payments, the District's CFO has implemented a process to apply for a waiver of penalties and/or interest. HAWDC is meeting with the CFO tomorrow, and would like to discuss any concerns or issues that members may have encountered while applying for the waiver. If you have applied for the waiver and have experienced any issues, or if you have any questions regarding the process, please let me know by close of business today.

A copy of the waiver application can be found by clicking [here](#).
