Waiver Application for Interest and Penalties

As we previously informed you, the District's CFO has implemented a process to apply for a waiver of penalties and/or interest, if you are unable to make your September property tax payments. September payments were due on September 15th. **Please be reminded that the waiver only applies to the interest and penalties** that would be due for failure to remit the taxes on September 15th. Therefore, failure to pay the taxes on time would trigger a tax lien, as well as, the inability to obtain a clean hands certificate. To remove the triggering of the imposition of the tax lien and inability to receive a clean hands certificate, the District Council would have to vote on a legislative remedy; it is not a decision that the CFO can unilaterally make.

HAWDC continues to work with the District government to discuss relief efforts that would help members and our industry, and will update members accordingly.

Regards,
Lisa
