Pause on Indoor Dining Ends Tomorrow

Beginning tomorrow, **January 22, 2021, at 5:00 a.m.**, indoor dining activities can resume. Indoor dining is subject to a 25% capacity or no more than 250 people, whichever is fewer people.

Additional guidance on the other activities that are on pause will be forthcoming.

Removal of Inauguration Barriers

HAWDC is working with DCHSEMA and the US Secret Service on a timeline to remove the barriers that were installed for the inauguration. Yesterday evening, crews began removing barriers/fencing on major streets and opening garages that were blocked. However, this process may take up to approximately 36 hours to complete. Additionally, the District's roadways and Metro stations are beginning to open as well.
