Updated Mask Mandate

Following CDC guidance, the District has updated its mask mandate. Fully vaccinated people only need to wear masks or social distance in places where it is required. **Everyone is still required to wear a mask in the following places:**

- On the Metro, on buses, and in taxis and ride shares as required on public transportation traveling into, within, or out of the United States (on an airplane, train, bus, taxi, ride-share vehicle, or at a transportation hub such as an airport or train station).
- Schools and childcare facilities.
- Healthcare settings.
- When required to per workplace or establishment policies.
- Homeless shelters
- Correctional facilities.

Individual businesses still have the right to set their own mask mandates for their properties. For further information regarding mask guidance click [here](#).
